## From the Headmaster's desk...

**As we approach the end of our scholastic year our Senior Primary children as will end with examinations. This stands as a reminder that most human endeavours are brought about by hard work and effort and that these things also bring pressures of their own. What a picture of life!**

**I have no doubt that our children will be well rewarded for their hard work and that you will be able to put this year to rest knowing that good progress has been made.**

## Helpful Hints

Help your children to create a disciplined environment and prepare well for these end-of-the-year pressures.
