## From the Headmaster's desk...

**This past Monday, an American tourist was attacked and killed by a lion at a Lion Park in the Lanseria area.**

**Several of us have visited the venue and know that the warnings to keep windows closed are clearly posted around the park. This incident highlights two truths applicable to life in general.**

- 1. Warning signs are for our safety and are ignored to our detriment. This includes age restrictions on movies and traditional values which are increasingly ignored by many in today's society.**
- 2. Things which appear "cute and cuddly" can often have deadly consequences.**

## Helpful Hints

Protect your children by teaching them to respect the warnings issued by God and other authorities.

# Sports and Performing Arts

On Saturday 30 May, the U9 and U13 soccer teams were invited to play in a soccer festival at Orion College.

It was such a blessing to see the joy and enthusiasm with which the boys took part. Our U13 team in particular did extremely well and made it through to the semi-finals. They drew this game but unfortunately did not go through to the finals based on goal difference.

More importantly though, we were so proud with the way our boys conducted themselves. We received several compliments from other schools, regarding their sportsmanship and positive attitudes. This is an ethos which we wish to inculcate in all our pupils. Well done to all involved and long may the development of sport at Newton House continue.
